PayCard

Time Is Money

Why spend your time standing in line to cash a check? With the Prepaid Card Solutions PayCard, you can access your pay at more than 426,000 ATMs* in the United States, 24 hours a day, 7 days a week! You can also buy groceries, gas, or services from more than 28 million merchants that accept MasterCard® debit cards. Best of all, there is no minimum balance requirement, no credit check, and no lengthy approval process!

How Does It Work?

- You receive a flexible, multiuse payroll card instead of a paper check. If you receive a PayCard from your employer at the time of sign up, your card will not have your name embossed on the front of the card.¹ Your card has the same functionality whether or not your name is embossed on the front of the card.
- Each payday, your funds are credited to your Prepaid Card Solutions PayCard account electronically, allowing easy access to your pay, without the delays of mail distribution.
- No more lost or damaged checks!
- You will be able to access all of your pay at no charge each pay period; however, fees may be associated with certain card transactions. Please see the Terms & Conditions and the Fee Schedule included in your card materials package and posted to myprepaysolution.com for details on the fees applicable to your card.

What Does It Cost?

Each time a payment is credited to the card, you receive one (1) Wells Fargo ATM withdrawal at no charge; subsequent transactions may result in fees to your card as described in the Fee Schedule to the Prepaid Card Solutions Terms and Conditions. These transaction fees and other fees that may be applicable to your card are listed to the right.

¹ If your name is not embossed on the front card and you want it to be, please call 1-866-307-4737. Domestic card replacement fee may apply; refer to the Fee Schedule to the Prepaid Card Solutions Terms and Conditions.
