SECTION A: PROPOSAL REQUIREMENTS

Introduction

Navajo Special Diabetes Program (NSDP) is seeking bids repair the loading dock and walkway perimeter areas at our Wellness Center building located on Navajo Nation Fairground, Window Rock, AZ 86515. Bids must be received by the Navajo Nation Purchasing Service Department at the below address on or before:

Description of Project Intent:

NSDP seeks to repair the loading dock and walkway areas at entrance area of this facility. The subject loading dock and walkway areas has been damaged by repeated impact of heavy delivery. The subject area is load bearing and extends from the Building front entrance floor level to the underside of the roof deck area.

The building is comprised of two sections: an open porch/loading dock area and walk way perimeter area. The arena structure consists of wood joists supported on steel beam trusses and reinforced concrete columns, foundation walls, and footings. The roof is finished with a roof membrane and wood decking supported on the wood roof joists. The perimeter walls consist of concrete block and reinforced concrete finished with metal lath and plaster and stucco. The front lobby porch and loading dock area consists of concrete metal steel decking sheets with concrete slab and precast pretensioned concrete floor slabs supported on steel beams. A structural assessment report identified issues related to corrosion of steel elements at the metal decking sheets and crack lining in concrete slab flooring and exterior walkway/stairways, and deterioration of concrete elements throughout the porch and loading dock/walkway area, depth cracks, replacement of failing concrete at the exterior stair platforms.

Scope of Service

The Contractor shall furnish all materials, labor, equipment, supplies, tools, scaffolding, transportation, superintendence, coordination, insurance as applicable, taxes, permits, weather protection, bonds and all other services, facilities and items necessary for the performance of the Project. The Work includes all materials, labor and equipment necessary or appropriate for the Contractor to complete the Project. The Work requires field measurement and verification of dimensions. Dimensions shall be measured at each location prior to installation of equipment and materials.

General Scope of Work:

1. Remove dock seal and bumpers at subject loading dock and walkway areas;
2. Remove metal railing, tracks, and all appurtenances; loose equipment shall be removed by Owner;
3. Remove electrical disconnect and to accommodate masonry work required at subject door;
4. Remove portion of concrete slab;
5. Rebuild concrete flooring (4000 psi) to align with adjacent (proper) conditions;
6. Maintain Control Joint next to the column; re-caulk with an appropriate joint sealer;
7. Existing building steel structural components are to remain during repair;
8. Patch and repair damaged concrete at base of column and pier adjacent to subject loading dock and walkway areas;
9. Paint new and patched concrete to match adjacent walls (both sides); paint color TBD;
10. Reinstall all door and metal railing components;
11. Reinstall electrical disconnect;
12. Install new dock seal and bumpers;

Proposals received from offering firms by the closing deadline will be evaluated by a Selection Committee consisting of a minimum of three (3) qualified individuals. The proposals will be evaluated on completeness of response, experience/qualifications, quality of service proposed, cost, and safety/liability.

Proposal Deposition

All materials submitted in response to this RFP will become property of NSDP and will become public record after the proposals are opened and read. NSDP will not be responsible or liable in any way for any losses that the Contractor may suffer from the disclosure of information or materials to third parties.

Contractor's Responsibility for Costs

Contractors are responsible for all costs associated with preparing and submitting the bid proposal.

Section B: TECHNICAL PROPOSAL SPECIFICATIONS

Mandatory Requirements

Proposal submittal shall address the Technical Proposal as outlined below on 8 1/2" x 11" paper and bound. Unless specifically requested, extraneous presentation of materials is neither necessary nor desired. The proposal shall be concise and address the required information.

Experience on Similar or Relevant Projects/Firm References

Provide the names of three (3) businesses/institutions that have, or have had, contracts with your firm of a similar size and scope as described herein.

Profile of Company

Include a brief profile of your company to include:

- a) Number of years in business
- b) Type of organization and Owner Name
- c) Brief history of company
- d) Total number of employees
- e) Bonding company and bonding dollar amount capabilities

Price Proposal Requirements

All Proposal pricing shall be exclusive of taxes, where applicable.

Section C: CONTRACT REQUIREMENTS

Scope of Service Requirement

- Contractor Qualifications: Requires a minimum five (5) years of verifiable commercial experience, success, and in-service performance of this type of work and equipment installation.
- The Contractor shall report any inconsistencies, variances, obstructions, and/or interferences to the Project Manager prior to proceeding with installation.
- The construction schedule and staging shall be coordinated with the Owner to minimize interference with scheduled events. The Contractor shall provide all temporary controls as necessary to accommodate the building operations.
- The Contractor shall secure and pay for all permits, licenses, and fees as required. The Contractor shall comply with codes, ordinances, rules, regulations, orders, and other legal requirements of Local Public Authority, which bear on the performance of the Work.

- The Contractor shall at times protect all finishes against damage resulting from the work performed. Any damage caused to the existing building elements shall be repaired or replaced to the satisfaction of the Owner at the Contractor's expense.
- The Contractor shall comply with all security procedures.
- The Contractor shall provide Proof of Insurance prior to the start of work.
- Contractor shall promptly submit verbal and written notice to the Project Manager of observed variance of the Contract Documents from actual on-site conditions.
- The Contractor will limit on-site storage of materials to those areas identified by the Owner.
- Water and electricity may be taken from the building for construction purposes only, and at areas identified acceptable by the Owner. Toilet facilities in building shall be designated by owner.
- Contractor shall provide and maintain required dust barriers, canopies, barricades, protection and warning lights in good condition until the completion of the work requiring such protection and then remove the same. All canopies and barricades shall comply with federal, state, and local laws and regulations.
- The Contractor shall maintain premises free from accumulations of water, material, odors and rubbish. Precautions should be taken to minimize blowing dust from entering the building.
- Costs caused by ill-timed work, defective work, or work not conforming to the Contract Documents are the responsibility of the Contractor.
- The Contractor shall provide shoring, bracing, and support as required to maintain the structural integrity of the existing construction during the work. Construction debris shall be removed in a manner that avoids overloading adjacent structural members.
- Contractor shall be responsible for the restoration of finishes affected by work.
- All mobilization fees (including, but not limited to equipment rental and storage) shall be paid by the Contractor;
- Contractor shall coordinate with Wellness Center staff;
- Contractor shall maintain a clean work environment at all times during construction.

Term of Contract and Compensation

The Contractor shall furnish all supervision, labor, materials, and equipment necessary to complete this contract for an initial one-year period and all pricing must remain firm for the duration of the initial contract period.

Prevailing Wages

Each worker performing Work under this Contract shall be paid at a rate not less than the prevailing wage as defined in the Labor Code. Contractor shall post a copy of the applicable prevailing rates at the Worksite. This Project is subject to the prevailing wage requirements applicable to the locality in which the Work is to be performed for each craft, classification or type of worker needed to perform the Work, including employer payments for health and welfare, pension, vacation, apprenticeship and similar purposes. Each Contractor and Subcontractor must pay no less than the specified rates to all workers employed to work on the Project. The schedule of per diem wages is based upon a working day of eight hours. The rate for holiday and overtime work must be at least time and one-half. The Contract will be subject to compliance monitoring and enforcement by the Navajo Nation Office of Navajo Labor Relations. A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his or her authorized representative on request.

Termination for Default

Throughout the term of this Agreement, NSDP may conduct tests and/or inspections of the sites and facilities covered to determine compliance with the Agreement. The Contractor shall promptly initiate actions to correct all deficiencies found. If deficiencies are not being satisfactorily corrected, NSDP may, by written notice to the Contractor, terminate this contract. In such event, NSDP may take over the work and prosecute it to completion, by contract or otherwise, and the Contractor and his/her sureties shall be liable to NSDP for any additional costs incurred.

In the event either party shall be prevented from performing its obligations hereunder due to governmental or administrative prohibitions, acts of God, acts of public enemy, riot, accidents, breakdown of equipment, weather conditions, delivery interruptions, or other causes beyond such party's control, the party so prevented shall, upon notice to the other party, be thereafter released from its obligations so long as such causes shall continue.

Termination for Convenience

The performance of work under this Agreement may be terminated by NSDP in accordance with this clause in whole, or from time to time in part, whenever NSDP shall determine that such termination is in the best interest of NSDP. Written notice shall be given at least (30) days in advance. NSDP will pay for all labor and material in accordance with Bid Price up to the date of the termination. However, the Contractor shall not be reimbursed for termination expenses or for any anticipatory profits which have not been earned up to the date of the termination.

Insurance Requirements

The Contractor shall purchase and maintain such insurance as will protect it and NSDP from claims which may arise out of or result from the Contractor's operations under the Agreement, whether such operations be by it or by any subcontractor, lower tier contractor or by anyone directly or indirectly employed. A Certificate of insurance is required to be submitted to the District verifying that the contractor maintains Comprehensive General Liability, Comprehensive Automobile Liability, and Worker's Compensation, in the minimum amount required by state law, ten (10) days after award of bid or prior to commencement of work, whichever occurs first. This requested certificate of insurance shall have NSDP named as an additional insured party for general liability, automobile, and workers' compensation.

Indemnification

The Contractor shall reimburse, indemnify and hold harmless NSDP for all loss resulting from the negligence of the Contractor in the performance of this Agreement, and for all loss to NSDP resulting from the non-performance thereof, except those losses other-wise specifically excluded by the NSDP.

Environment and Safety Issues

The Contractor shall observe all safety precautions throughout the performance of this Agreement. All work shall be in strict accordance with all applicable Federal, state, and local health and safety requirements. Where there is a conflict between applicable regulations, the most stringent will apply. The Contractor shall assume full responsibility and liability for compliance with all applicable regulations pertaining to the health and safety of personnel during the execution of work. The Contractor shall be responsible for any citations(s) received for non-compliance with regulations/standards relating to any failure of performance/non-performance of Contractor employees. Lack of knowledge of the Contractor shall in no way be a cause for relief from responsibility or constitute a cognizable defense against the legal effects thereof.

Non-Discrimination in Employment

NSDP actively subscribes to a policy of equal employment opportunity and will not discriminate against any employee or applicant because of race, sex, age, color, physical or mental handicap, marital status, religion, national origin or political affiliation. The Contractor shall not discriminate in any manner against any employee or applicant for employment because of race, sex, age, color, physical or mental handicap, marital status, religion, national origin or political affiliation.

Records and Documentation

The Contractor shall be responsible for maintaining a work logbook for facility site and facility specified in this Agreement. These records shall be kept onsite in the office and maintained on each visit by the Contractor. The logbook shall contain the following:

Work Plan: A copy of the NSDP Work Plan and specific site work plan.

the following:

Site Visit Log: The Contractor will log the date, purpose of visit, action taken, follow-up required and duration of visit for each site visit. Special note of emergency or special services must be recorded.

Inspection Form: Inspection activities will be documented on standard inspection forms and maintained in the logbook.

Service Requirements

Professional Services: The services/consultation of Project Engineer must be provided to NSDP at no additional cost if the need arises.

Safety and Health: The Contractor shall observe all safety precautions throughout the performance of this Agreement. All work shall be in strict accordance with all applicable Federal, state, and local health and safety requirements. Where there is a conflict between applicable regulations, the most stringent will apply. The Contractor shall assume full responsibility and liability for compliance with all applicable regulations pertaining to the health and safety of personnel during the execution of work.

Special Entrance: Certain areas within some buildings may require special entrance instructions. Any restrictions associated with these special areas will be explained by the NSDP Program Manager.

Uniforms and Protective Clothing: All Contractor personnel working in or around buildings specified in this Agreement shall wear distinctive uniform clothing. All Contractor personnel must possess proper identification and proof of credentials while at school sites and facilities. The Contractor shall determine the need for and provide any personal protective items required for the safe performance of work. Protective clothing, equipment, and devices shall, as a minimum, conform to U.S. Occupational Safety and Health Administration (OSHA) standards for the products used.

Vehicles: Vehicles used by the Contractor shall be identified in accordance with state and local regulations.

Submittal of Proposal

By submitting a Proposal, the undersigned also hereby agrees that from its review of the RFP and the attachments, the firm fully understands the intent and purpose of the documents and conditions of submitting a Proposal. Claims for additional compensation and/or extensions of time because of the firm's failure to follow the foregoing procedure, and to familiarize itself with the contract documents and all conditions which might affect the work, will not be allowed.

Acceptance of Proposals

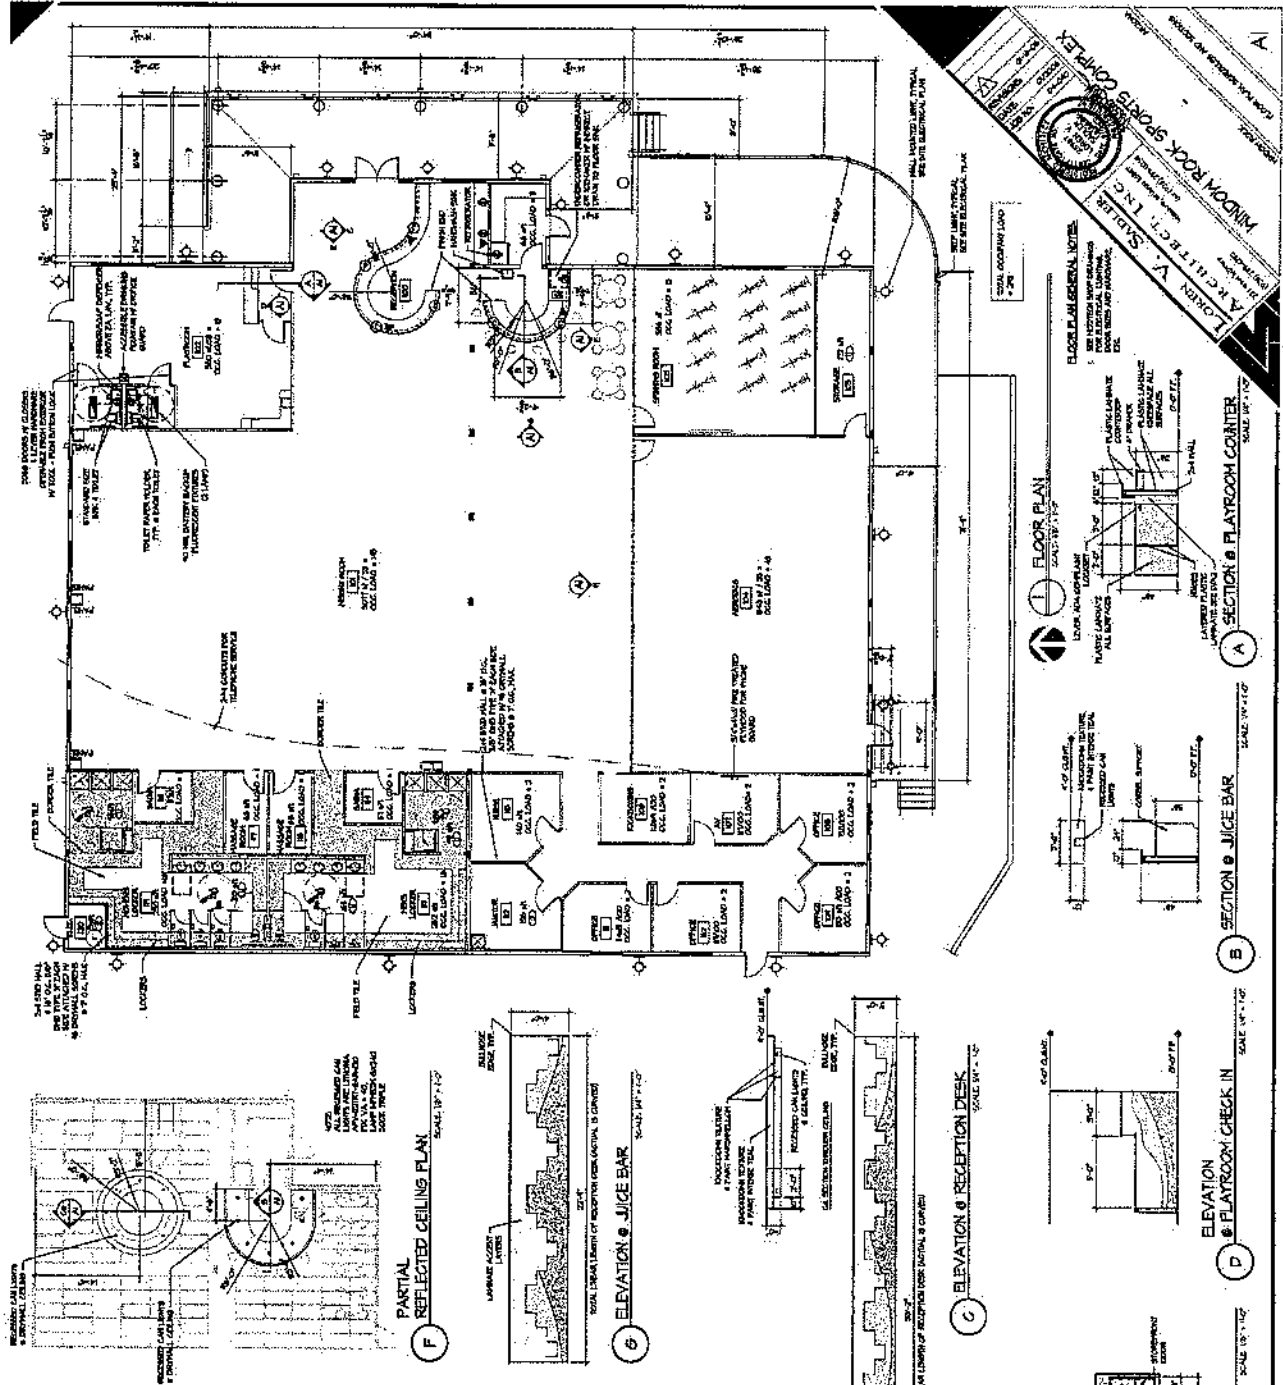

The undersigned agrees that this Proposal may be held by NSDP for a period not to exceed ninety (90) days from the date stated for recommendation of bid award. If written notice of acceptance of this Proposal is mailed or delivered to the under-signed within the time noted above, after the date of submittal, or at any time here-after before this Proposal is withdrawn, the undersigned agrees that it will execute and deliver a contract in the form prescribed by NSDP in accordance with the Proposal as accepted. It is understood and agreed that NSDP reserves the right to award the contract in its best interests, to reject any and all Proposals, to waive any informalities in the Proposals, and to hold all Proposals for the period above noted.

Part I Taxpayer Identification Number (TIN)																																																									
Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see <i>How to get a TIN</i> , later.																																																									
Note: If the account is in more than one name, see the instructions for line 1. Also see <i>What Name and Number To Give the Requester</i> for guidelines on whose number to enter.

Part II Certification	
Under penalties of perjury, I certify that:	
1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and	
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and	
3. I am a U.S. citizen or other U.S. person (defined below); and	
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.	
Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part I, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.
