*(Must identify Bid# and Company Name on the outside of all sealed package/envelop)*

Please submit an original, and four (4) sets of your Bid Proposals

**A. PURPOSE OF THIS INVITATION FOR BIDS (IFB)**

The Navajo Nation Fleet Management Department under the Division of General Services is seeking to purchase vehicles from an authorized and fully certified licensed automotive dealership that meets all the standards and qualifications from the vehicle manufacture in terms of facilities, equipment, parts, tools and trained technicians to handle all required services. Vehicles must be delivered in a timely manner as bid evaluation will be based on most responsive bid. Bid price shall be Freight on Board (F.O.B.) to Window Rock and to the designated delivery point at Fleet Management Department. Vehicles shall be delivered to the Navajo Nation free from any purchase money or other lien or security interest. The manufacturer's published warranty for each vehicle shall apply to all vehicles purchased by the Fleet Management Department.

**B. CONDITIONS GOVERNING THE PROCUREMENT**

Bid price shall be effective on date of award and the availability of funds will determine the number of vehicles to be purchased, and additional Navajo Nation procurements for like kind and quality of vehicle qualify for bid price. Fleet Management personnel will make on-site visits to either manufacturer's/bidder's facilities, as needed, to ensure compliance with specifications are met, or approve any deviations, if necessary.

The Navajo Nation Fleet Management will receive, at time of delivery of vehicles, all pertinent documents necessary for titling and licensing vehicles, documents include Manufacturer's Statement of Origin, Odometer statement. Only Fleet Management will be responsible for registering all vehicles through the Navajo Nation Property Management Department.

Payment will be made after delivery of the vehicles and receipt of all pertinent, including invoice. Full payment is to be made no later than 10 days following receipt of all pertinent documents, including invoice. Temporary license sticker must accompany delivery if no release of Manufacture Statement of Origin is included as part of the documents; and will delay timely payment.

**C. SPECIFICATIONS**

See the following attachments for specifications for each class of vehicle and quantity required, including any exhibits. Bid price must meet minimum specification or exceed minimum specifications. Bid must note any exceptions. (Exhibit J and H)
