IMPORTANT INFORMATION					

Only the last name of the bidder is used to list the results due to confidentiality. If there are two identically last name within one item group, the first initial was added to distinguish the person.

Any typed information in RED FONT is an invalid bid. Depending in what column is coded red, the following list may be the reason:

- Vehicle No:** Error on Vehicle number, which didn't correlate with the Item Number.
- Bid Amount:** Overbid the maximum price, or underbid the minimum amount.
- Name:** You submitted more than two bids. Only two were permitted.
The two earliest bids were counted and others were null.
- Date:** Wasn't clocked in.
- Time:** Bids clocked in before or after bid submittal hours.
Bid hours: 8:30 AM to Noon, and 1:00 PM to 4:00 PM.

The bids for Vehicles not sold are not listed in the results. These are bids that didn't meet the maximum price level. The second round of bidding is a continuation of the Sale Event. The NN payroll deduction will be honored. Those that submitted a bid form will not be permitted since it's a continuation event.

On behalf of NN Fleet Management and Headstart Program, THANK YOU for your business!
If you have further questions, call Chernell Sam at 928-729-4087 or front office at 928-729-4000.
